District fisheries dept. distributes 1 lakh fish seeds

ITANAGAR, Jun 25: Department of Fisheries, Papum Pare distributed over one lakh fish seed to over 100 fish farmers free of cost at Govt. Fish Farm, Emchi covering Sagalee, Doimukh and Mengio circles in order to popularize fish farming..

District Fisheries Development Officer (DFDO) Nabam Tania stressed the importance of distributing such fish seeds for the growth of fisheries sector. Further it is a powerful economic and employment generating activity apart from supplementing protein rich diet, he added.

Deputy Commissioner Pige Ligu and Director of Fisheries J Taba distributed fish seeds to Tana Akin Tara, a progressive fish farmer of Midpu village and Tana Hari of Emchi respectively.

The Deputy Commissioner appreciated the programme undertaken by the DFDO and insisted upon the farmers to take up the activity scientifically for more fish production.

The distribution of fish seeds to cover the remaining circles of the district will be carried out on June 28 and July 2.

1 lakh fish seeds given away to over 100 farmers

ITANAGAR, Jun 25: In a bid to popularize fish farming which is a powerful economic and employment generating activity apart from supplementing protein rich diet, the department of Fisheries, Papum Pare district has undertaken free fish seed distribution programme at Govt Fish Farm, Emchi today and covered Sagalee, Doimukh and Mengio circles.

During the programme, more than one lakh seeds were distributed to more than 100 farmers. The subsequent phase wise distribution of fish seeds will be carried out on June 28 and July 2 next to cover other remaining circles of the district.

Papum Pare DC Pige Ligu and J Taba, Director of Fisheries, distributed fish seeds to Tana Akin Tara, a progressive fish farmer of Midpu village and Tana Hari of Emchi respectively.

The DC, in his speech, while appreciating the programme undertaken by the DFDO, Papum Pare called upon the farmers to take up the activity on scientific lines for enhanced fish production.

The Director, Fisheries also appreciated the enthusiasm shown by the fish farmers despite adverse weather conditions.

Papum Pare DFDO, Nabam Tania, highlighted the importance of fish seeds for growth of the sector.
