<b>UIDAI</b>	Unique Identification Authority of India
<b>UT</b>	Union Territory
<b>VDVK</b>	Van Dhan Vikas Kendra

# 1. Background

According to the 2011 Census, India has a Scheduled Tribe (ST) population of 10.45 crore, comprising 5.25 crore males and 5.20 crore females. This group represents 8.6% of the total population and 11.3% of the rural population. Over 705 tribal communities live across remote and difficult-to-access areas, each with unique cultural and linguistic traits. Despite India's significant growth and advancements in socio- economic and human development, tribal populations still face challenges in education, healthcare infrastructure, and related socio- economic indicators.

Since Independence, various models for tribal development have been implemented, with the Tribal Sub-Plan (TSP) established in 1974-75 evolving into the Schedule Tribe Component (STC) and Development Action Plan for Scheduled Tribes (DAPST). Despite these changes, the core philosophy remains that all Government of India Ministries and Departments must collaborate to create schemes for the welfare of Scheduled Tribes. In the past decade, the budget allocation for DAPST has increased significantly, from Rs. 25,000 crores annually to Rs. 1,200,000 crores in 2023-24, involving 41 Ministries, including MoTA. Although these efforts have improved literacy, health, and livelihood, significant gaps remain in infrastructure and human development indices compared to other social groups. Data from the Antyodaya Mission (AM) in 2019 and 2022 reveal that major socio-economic challenges stem from substantial service and infrastructure deficits in tribal villages, a finding supported by various studies and reports.

As India celebrate Azadi Ka Amrit Mahotsav, it is vital to comprehensively address the critical needs of our communities in a definitive and time-bound manner. In this background, in the Budget 2024-25, the Government of India announced the Pradhan Mantri Janjatiya Unnat Gram Abhiyan (PM JUGA). Its name was later changed into “***Dharti Aaba Janjatiya Gram Utkarsh Abhiyan***”. It aims at improving the socio-economic conditions of tribal communities by saturating tribal households and tribal majority villages including villages in aspirational blocks having significant tribal population with basic facilities, covering around 63,843 villages and benefiting more than 5 crore tribal people in a set time frame.

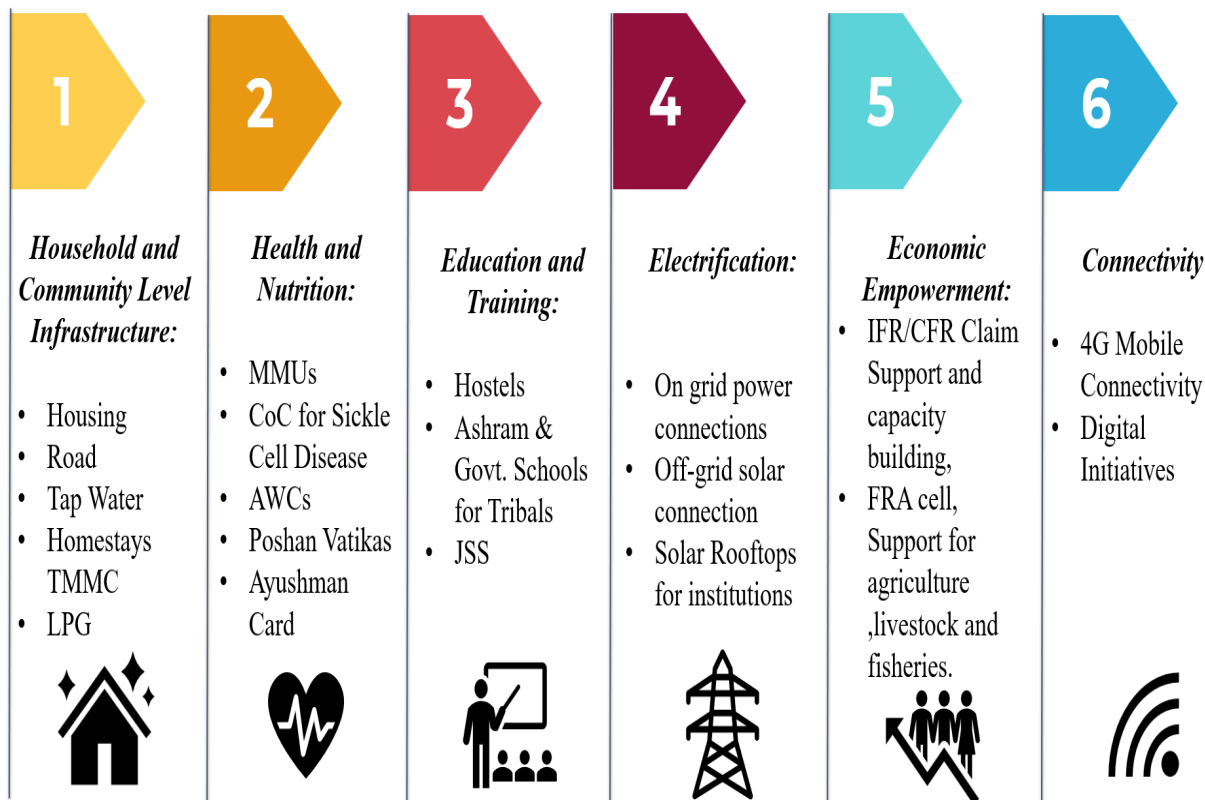

# 2. Vision

The ***Dharti Aaba Janjatiya Gram Utkarsh Abhiyan*** envisions the comprehensive development of tribal areas and communities by addressing critical gaps in infrastructure, healthcare, education, and livelihoods. Through a coordinated approach and convergence of various Government of India schemes, the mission aims to ensure holistic, sustainable, and inclusive growth, empowering tribal communities to thrive and flourish in a SATURATION Mode.

### 3. Objectives

The mission seeks to develop enabling infrastructure and enhance socio-economic conditions in selected tribal-majority villages (with a population of 500 or more, and at least 50% tribal residents as well as villages in Aspirational Districts with a tribal population of 50 or more). By adopting a whole-of-government approach, the mission aims to improve access to education, healthcare, and skills, driving progress toward the specific goals outlined below.

## Goal 1: Develop Enabling Infrastructure (SDG 9)

Pucca house for eligible Households with other entitlements: Eligible ST households shall have access to **pucca housing** under the PMAY (Gramin) with the availability of **tapped water** (Jal Jeevan Mission) and **electricity supply** (RDSS). Eligible ST households shall have access to **gas connections** through Ujjwala Yojana (MoP&NG) and **Ayushman Bharat Card** (PMJAY).

Improving Village infrastructure: Ensuring all-weather **road connectivity** to ST majority villages (PMGSY), providing access to **mobile** and **internet** (USoF), and improving infrastructure for improving **Health** (MMU), **Nutrition** (Saksham Anganwadi), and **Education** (Hostels).

## Goal 2: Promotion of Economic Empowerment (SDG 8)

Skill Development Entrepreneurship promotion and enhanced livelihood(self-employment): Ensuring that ST boys and girls gain access to long-term skill development and entrepreneurship promotion and professional courses after 10th and 12th grade annually, through initiatives like the Skill India Mission.

Additionally, the mission facilitates **Livelihood & marketing through Tribal Multipurpose Marketing Centres** (TMMC), promote **Tourist Home Stays**, and strengthens Agricultural, **Animal Husbandry**, and **Pisciculture** for **FRA Patta holders**, fostering sustainable livelihoods and self-reliance.

## Goal 3: Universalization of Access to Good Education (SDG 4)

To boost the Gross Enrolment Ratio (GER) to national levels and ensure quality education for Scheduled Tribe (ST) students, the Samagra Shiksha Abhiyan focuses on enhancing infrastructure, providing financial support, and increasing digital access. The initiative also promotes culturally relevant education and community engagement, making education both affordable and accessible for ST students from school to higher education. The Abhiyan provides Hostels to ensure access to quality education.

## Goal 4: Healthy Life and Dignified Ageing (SDG 3)

To improve access to quality healthcare for Scheduled Tribe (ST) households and achieve national standards in Infant Mortality Rate (IMR), Maternal Mortality Rate (MMR), and immunization coverage, the PM Ayushman Bharat Health Infrastructure Mission (PM ABHIM) focuses on strengthening healthcare infrastructure and expanding essential services in tribal regions by including MMUs, intervention on SCD and Centre of Competency on Sickle Cell.

# 4. Scope

The “*Dharti Aaba Janjatiya Gram Utkarsh Abhiyan*” aims for the holistic development of tribal communities and villages, focusing on those in Aspirational blocks with ST populations of 50 or more, and villages with at least 500 people and 50% ST population—covering around 63,643 villages. Over five years (2024-25 to 2028-29), the program will reach 549 districts and 2,911 blocks across tribal-dominated areas in 26 States and 4 UTs, ensuring comprehensive development for these underserved regions. (Annexure-I).

## 5. Key Activities

Central	<p><b>Policy Development:</b> Formulate national policies and guidelines and SoPs for program implementation.</p> <p><b>Funding Allocation:</b> Allocate and manage financial resources for the mission.</p> <p><b>Inter-Ministerial Coordination:</b> Coordinate among different ministries for integrated and cohesive execution</p> <p><b>Monitoring and Evaluation:</b> Oversee the overall progress and impact of the scheme</p>
State	<p><b>Customization of Programs:</b> Adapt central guidelines to align with state-specific contexts and requirements.</p> <p><b>Resource Distribution:</b> Manage the distribution of funds and resources to districts and blocks.</p> <p><b>Training and Capacity Building:</b> Conduct training programs for local officials and stakeholders.</p> <p><b>Coordination &amp; Implementation:</b> Coordinate activities among various state departments and central agencies. Monitor and review the progress of implementation.</p>
District	<p><b>Data Check &amp; Monitoring:</b> Monitor progress at the district level and report to state and central authorities.</p> <p><b>Stakeholder Engagement:</b> Engage with local communities, NGOs, and other stakeholders for effective implementation.</p> <p><b>Field-level implementation Review and Reporting</b></p>
Block	<p><b>Village Camps, IEC, Saturation Drives</b></p> <p><b>Ground-Level Execution:</b> Implement the schemes at the grassroots level, ensuring reach to the target communities.</p> <p><b>Beneficiary Identification and Support:</b> Identify beneficiaries and ensure they receive the intended benefits.</p> <p>Village Planning, CBO involvement, and Community mobilization.</p>

## 6. Foundational Features

## 7. Coverage

The Abhiyan will target specific tribal-majority villages with populations of 500 or more, where at least 50% are tribal, and villages, in Aspirational districts, with at least 50 tribal population. Following the approved schematic norms, this will include eligible areas across all states and UTs. The State/UT-wise coverage of districts, blocks, and villages, along with the population and ST population, is as follows:

SR. No	Name of the State	No. of District	No. of Block	No. of Villages	Total Population	ST Population	% ST
1	ANDHRA PRADESH	18	107	878	1113652	655450	58.86
2	ARUNACHAL PRADESH	23	84	329	272750	230896	84.65

*\*Census-2011 (Village with 500 Population &  $\geq$  50% ST Population-(i.e. 48606) and villages Aspirational block with  $\geq$  50 ST population-(i.e.15235)*

## Inter-Ministerial Convergence

A key feature of the mission is its inter-ministerial convergence, where **17 Ministries of the Government of India** will unite for the welfare of tribal communities **through 25 focus interventions**. The **Ministry of Tribal Affairs will serve as the nodal agency**, coordinating with Central Ministries for planning, implementation, and monitoring. However, each Ministry will retain responsibility for implementing its specific schemes. Similarly, at the state level, the Tribal Welfare Department will act as the nodal body, ensuring effective coordination across departments for the streamlined execution of tribal welfare programs.

## Alignment of Schemes/Programs

To address the unique needs of these villages, the existing norms of relevant schemes across Ministries have been appropriately modified through a unified EFC and a cabinet note prepared by the Ministry of Tribal Affairs (MoTA). This ensures alignment with the objectives of the Abhiyan. Ministries and Departments no longer need separate EFC approvals to amend their guidelines, except for schemes where it has been also indicated in the Cabinet Note. Each Ministry will issue revised guidelines to ensure the successful implementation and fulfilment of the mission's objectives.

## Provision of Funds

The funding for various interventions will come **from the existing Development Action Plan for Scheduled Tribes (DAPST) grants** allocated to Central Ministries and Departments under Central Sector and Centrally Sponsored Schemes. If there is a shortfall in funds for a specific scheme within a Ministry or Department, it will be covered by reallocating from the Ministry's total DAPST allocation. Any **additional funding needs for the Abhiyan will be addressed by utilizing savings from DAPST, following the new framework proposed by NITI Aayog**, similar to the PM JANMAN model. NITI Aayog's guidelines require a mandatory percentage of total scheme allocations rather than individual scheme allocations. Each Ministry will ensure that funds for interventions are effectively allocated to the respective states.

## Period

The Mission will **span a period of 5 years, from 2024-25 to 2028-29**. The first 2 years falling under the current Finance cycle. The interventions proposed under the Abhiyan will continue till 2029. These interventions will utilize DAPST funds from the respective Ministries and Departments and will run from 2024-25 to 2028-29. These components of schemes of the Departmental will continue for the entire 5-year period of the Mission as per the targets and fund allocation approved – (Annexure I) subject to Cabinet approval for the Continuation of Schemes in the next financial cycle. Schemes like PMAY-G, which are already approved beyond March 31, 2026, or any other similar schemes, which have got stand-alone approval, automatically will continue beyond the current finance cycle. The Ministries may take stock at the end of the current Financial Cycle.

## Implementation and Monitoring Mechanism

Tribal households and villages covered under the Abhiyan will be **mapped on the PM GatiShakti Portal**, with gaps identified by the Antyodaya Mission (2022-23) validated by the respective departments based on scheme-specific requirements. Line Ministries can leverage their existing portals, incorporating relevant parameters to invite proposals from the states. Each Ministry will also be responsible for **linking its Monitoring and Evaluation (M&E) system to the Dharti Aaba Janjatiya Gram Utkarsh Abhiyan portal on the PM GatiShakti platform**, where both physical and financial progress will be regularly updated and tracked. This is compulsory for drawing money under the program.

## Recognition Mechanism

Each district's performance will be monitored through a ranking **system, based on monthly incremental (delta) changes in key performance indicators**. This ranking aims to foster healthy competition among district teams, motivating them to improve outcomes. The top performing districts will receive awards. Likewise, the **performance of Ministries will also be tracked** and recognized for their contributions to the mission's success and tribal development.

## 8. Interventions

The mission will cover 25 interventions of 17 Ministries as shown below.

Sno.	Ministry	Interventions/ (Scheme)	Beneficiary/ Intervention figure
1	<b>Ministry of Rural Development (MoRD)</b>	Pucca houses- (PMAY)-Gramin	<b>20 lakhs houses</b>
		Connecting Road – (PMGSY)	<b>25000 km road</b>
2	<b>Ministry of Jal Shakti</b>	(i). Water Supply-Jal Jeevan Mission (JJM)-FHTC	<b>(i). Every HH as per the norms of JJM.</b>
		(ii). Community water tap	<b>(ii). Hamlets <math>\leq</math> 20HH</b>
3	<b>Ministry of Power</b>	House Electrification- (Revamped Distribution Sector Scheme (RDSS))	<b>Every unelectrified HH and unconnected public institutions (~ 2.35 lakh)</b>
4	<b>Ministry of New and Renewable Energy</b>	New Solar Power Scheme (Off-grid Solar)	<b>(i). Every unelectrified HH and public institutions not covered through grid.</b>
5	<b>Ministry of Health and family Welfare</b>	Mobile Medical Units- (National Health Mission)	<b>Up to 1000 MMU for providing health facilities in villages where health facility is available beyond 5 km in Hilly areas and 10 km in plain areas</b>
		Ayushman Card - Pradhan Mantri Jan Arogya Yojana (PMJAY)-NHA	<b>Every eligible HH covered under the Abhiyan</b>

6	<b>Ministry of Petroleum &amp; Natural Gas</b>	LPG Connections-(PM Ujjwala Yojana)	<b>25 Lakhs HH</b> (subject to approval of targets and funds)
7	<b>Ministry of Women and Child Development</b>	Establishment of Anganwadi Centres- Poshan Abhiyan	<b>8000 (2000 New Saksham AWC) &amp; 6000 upgradation to Saksham AWC)</b>
8	<b>Ministry of Education</b>	Construction of Hostels- Samagra Shiksha Abhiyan (SSA)	<b>1000 hostels</b>
9	<b>Ministry of AYUSH</b>	Poshan Vatikas- National AYUSH Mission	<b>700 Poshan Vatikas</b>
10	<b>Department of Telecom</b>	Universal Service Obligation Fund/Bharat Net (DoT-MoC)	<b>5000 Villages</b>
11	<b>Ministry of Skill Development and Entrepreneurship</b>	Skill India Mission (Existing Schemes)/propose	<b>Skilling Centre in tribal districts</b>
			<b>1000 VDVVs, Tribal Groups etc</b>
12	<b>Ministry of Electronics &amp; Information Technology</b>	Digital Initiatives	<b>As applicable</b>
13	<b>Ministry of Agriculture &amp; Farmer welfare</b>	Promotion of sustainable agriculture - Multiple Schemes of DoAFW	<b>FRA Patta holders (~2 lakhs beneficiaries)</b>
14	<b>Department of Fisheries</b>	Fish culture support-Pradhan Mantri Matsya Sampada Yojana (PMMSY)	<b>10,000 community and 1,00,000 individual beneficiaries</b>
	<b>Department of Animal Husbandry &amp; Dairying</b>	Livestock rearing- National Livestock Mission	<b>8500 Individual /Group beneficiaries</b>
15	<b>Ministry of Panchayati Raj</b>	Capacity building-Rashtriya Gram Swaraj Abhiyan (RGSA)	<b>All Gram Sabhas and concerned officers at Subdivision, District and State level dealing with FRA</b>
16	<b>Ministry of Tourism</b>	Tribal Home Stays-Swadesh Darshan	<b>1000 Tribal Home Stays with support of upto Rs 5 lakh per unit (for new construction), upto Rs 3 lakhs (renovation) and Rs 5 lakh for village community requirement.</b>
17	<b>Ministry of Tribal Affairs</b>	PMAAGY	<b>Enhancing the scope of SCA to Tribal Development / PMAAGY by including other interventions#</b>

#100 Tribal Multi-purpose Marketing Centres, improving infrastructure of Ashram Schools, Hostels, Govt./State Tribal Residential schools, Centre of Competencies for Sick Cell Disease (SCD) and counselling support, Support for FRA & CFR Management interventions, setting up of FRA Cells, and project management funds with incentives for top performing tribal districts.

The modified norms of different schemes implemented under the mission by the sectoral ministries is given as under.

## Revised Norms:

Existing norms of the scheme	Norms of the scheme as per Mission
<b>1. Housing - PMAY - G (MoRD)</b>	
a) ₹1.2 lakhs (plain); ₹1.3 lakhs (hilly/PVTG) (excl. ₹0.39 lakhs) b) 60:40; 90:10 (in NE & Himalayan); 100 in UTs	a) As per the existing norms PMAY-G b) Implementation guidelines as adopted for PMJANMAN may be followed subject to necessary approvals.
<b>2. Road connectivity – PMGSY(MoRD)</b>	
a) 60:40; 90:10 (in NE & Himalayan); 100 in UTs b) Detailed estimates will be based on the State Schedule of Rates (SSR)	a) Average cost of ₹1 cr/km will be commensurate with cost norms of PMGSY scheme as approved by Cabinet b) Provision of funds under DAPST for PMGSY
<b>3. Water Supply - JJM (MoJal Shakti)</b>	
a) 50:50; 90:10 (in NE & Himalayan/UTs with legislature); 100 in UTs without legislature	a) Saturation coverage of all villages by FHTCs and Provision of community tap for habitations, with less than 20 HHs as per norms of JJM subject to continuation of the scheme by the Cabinet.
<b>4. House Energization – RDSS (Ministry of Power)</b>	
Provision of access to electricity of remaining un-electrified households identified up to 31.03.2019	a) Provision of electricity for every unelectrified HH and unconnected public institutions as per norms of RDSS
<b>5. Energization through Solar Power – New Solar Power Scheme (MNRE)</b>	
a) Subsidy of 60% of the solar unit cost for systems up to 2 kW capacity and 40 percent of additional system cost for systems between 2 to 3 kW capacity. b) The Scheme is only for residential houses and Co-operative Housing Societies	a) Provision for every unelectrified HH and public institutions not covered through grid under New solar Power Scheme. b) Schematic Guidelines to be framed
<b>6. MMU &amp; Ayushman Card – NHM &amp; PM JAY (MoHFW)</b>	
a) 5 MMUs / district b) 60:40 (States / UTs with legislature); 90:10 (in NE & Himalayan)	a) Coverage of habitations where nearest Health centre is more than 10 km (in plain area) and 5 km (in hilly area) through provision of MMU (as per norms of NHM). b) All uncovered eligible Households to be covered under Ayushman Bharat for the Abhiyan

	c)
<b>7. LPG for tribal households –‘PM Ujjwala Yojana' (PMUY) (MoPNG)</b>	
Central sector schemes, 100% central grant	All uncovered eligible Households (as per PMUY) subject to new targets and fund allocation upon continuation of original scheme
<b>8. Saksham Anganwadi Centre – POSHAN 2.0 (MoWCD)</b>	
a) 60:40; 90:10 (in NE & Himalayan); 100 in UT's without legislature. b) ₹12.00 lakh per AWC out of which ₹8.00 lakh from MGNREGS, ₹2.00 lakh under 15th FC funds, and ₹2.00 lakh by MWCD per AWC to be shared between Centre and States/Uts in the prescribed cost sharing ratio.	a) Provision of funds of ₹12 lakh each for 2000 new Anganwadis to be sanctioned through DAPST funds with MoWCD. (100 % Central share) b) Provision of ₹1 lakh for up-gradation of existing AWC to Saksham AWC for 6000 existing mini AWCs as per existing norms.
<b>9. Construction of Hostels – Samagra Shiksha Abhiyaan (DoSEL)</b>	
As per specified standards and State Schedule of Rates (SSOR) or CPWD Rates, whichever is lower.	a) Construction of hostel along with provision of recurring grants as per the norms of Samagra Shiksha Abhiyaan (SSA) for such hostels.
<b>10. POSHAN Vatikas in EMRS – (Ministry of AYUSH)</b>	
No extant norms	Setting up of Poshan Vatikas in EMRSs from allocated DAPST funds
<b>11. Telecom connectivity – Universal Service Obligation/Bharat Net (DoT)</b>	
Coverage of unconnected villages	a) Saturation coverage of all uncovered tribal villages with 4G connectivity
<b>12. Skill development in Tribal Areas – Skill India Mission (Existing Schemes) (MSDE)</b>	
100% Grant-in-Aid to NGOs/ Institutions on annual basis and onetime non-recurring cost	a) Setting up of Skilling center in tribal districts under the scheme subject to approval of the original scheme of Skill India Programme by the Cabinet. b) Capacity building and business development of VDVks, Tribal groups etc subject to approval of the original scheme of Skill India Programme by the Cabinet
<b>13. Digital Initiatives- Digital India Programme –MEITY</b>	
100% Central Funding (Central sector Scheme)	Provision of funds ₹50 Cr every year (average) for digital initiative from available DAPST funds

Existing norms of the scheme	Norms of the scheme as per Mission
<b>14. Sustainable Agriculture for FRA beneficiaries (various schemes)- MoAFW</b>	
a) Northeast & Himalayan States: 90% Central and 10% State Share b) All other states: 60% Central and 40% State Share UTs: 100% Central Share	a) Allocation of funds ₹500 Cr per year (average) for five years with the total of ₹ 2500 Cr from DAPST funds of DoAFW for providing sustainable agriculture support to FRA patta holders b) Upto 10 % beneficiary contribution c) Schematic Guidelines to be framed
<b>15. Aquaculture for tribal fisherman / CFR holders -Pradhan Mantri Matsya Sampada Yojana (PMMSY) – Department of Fisheries (MoFAHD)</b>	
i) 60% of the project/unit cost for SC/ST/Women. ii) Sharing ratio: (a) The NE& the Himalayan States: 90:10 (b) Other States: 60: 40 I UT: 100%	a) Allocation of existing DAPST funds (₹375 Cr) to support tribal fishermen and CFR holders for the promotion of aquaculture under the Abhiyan b) Upto 10 % beneficiary contribution. c) Schematic Guidelines to be framed
<b>16. Animal Husbandry support to FRA beneficiaries – National Livestock Mission (NLM) – Department of Animal Husbandry &amp; Dairying</b>	
The NLM scheme has Centrally Sponsored and Central sector component with 50% subsidy for the entrepreneurs.	a) Allocation of DAPST funds ₹75 Cr to support FRA beneficiaries for 5 years b) Upto 10 % beneficiary contribution c) Schematic Guidelines to be framed
<b>17. Capacity building focused on FRA –Rashtriya Gram Swaraj Abhiyan (RGSA) –MoPR</b>	
Sharing Ratio of 60:40 Central: State, except NE Hilly States and UT of J & K Share ratio 90: 10	Allocation of DAPST funds of ₹30 crore for Capacity Building and Training of Gram Sabhas, SDLC, DLC and State level officers on FRA
<b>18. Responsible Tourism – Swadesh Darshan Scheme-Tribal Life tourism (Ministry of Tourism)</b>	
Central Sector Scheme	a) Responsible Tourism scheme with Home Stays for tribal areas under the scheme of Swadesh Darshan. b) 100% cost to be borne by Ministry of Tourism (Central Sector Scheme) c) Provision of funds for the scheme out of allocated DAPST funds d) Provision of upto ₹5 lakh (for new construction) / upto ₹3 lakhs (for renovation) / home stay to 1000 Tribal Homestays, and ₹5 lakh for related village community requirements. e) Schematic Guidelines to be framed

Existing norms of the scheme	Norms of the scheme as per Mission

<b>19. Multi sectoral Interventions –Expansion of SCA to Tribal Development – PMAAGY (MoTA)</b>
₹20.39 lakhs for integrated development of village-Enhancing the scope of PMAAGY by inclusion of other interventions:
<div>a) Provision for 100 Tribal Multipurpose Marketing Centres</div> <div>b) Improving infrastructure of Ashram Schools, Hostels, Govt./State Tribal Residential schools</div> <div>c) Setting up of Centre of Competence, and counselling support/awareness for Sickle Cell Disease (SCD)</div> <div>d) Digitization and support to FRA claim process, setting up of FRA Cells including formulation &amp;implementation of CFR Management Plans</div> <div>e) Annual incentives totaling ₹20 Cr for best performing Tribal districts.</div> <div>f) Inter-se allocation among various components to be decided based on actual requirements.</div> <div>g) Project management cost, IEC etc.</div> <div>h) An allocation of ₹5013 Cr for the period 2026-27 to 2028-29 and amount of ₹4000 cr for the period FY 2024-25 to 2025-26 (Finance cycle 2021-26).</div>
Sanction of 01 additional post of Joint Secretary

## 9. Implementation Plan

Phase 1 Comprehensive Baseline Assessment and Beneficiary Identification			Expected Outcomes
<b>Objective-</b> Establish a detailed understanding of existing conditions in target villages to inform precise planning and implementation.			<ul style="list-style-type: none"> <li>• A comprehensive database of target villages and beneficiaries.</li> <li>• Clear identification of critical gaps in infrastructure, education, healthcare, and livelihoods.</li> <li>• Enhanced community engagement and ownership from the outset.</li> </ul>
<b>Data Mapping:</b> Utilize the PM GatiShakti Portal to map all 63,843 target villages, ensuring accurate geospatial representation.	<b>Data validation &amp; Updation of data:</b> <ul style="list-style-type: none"> <li>• Cross-reference data from the Antyodaya Mission (AM) to identify infrastructure and service gaps.</li> <li>• Validate and update data with on-ground surveys.</li> </ul>	<b>Needs Assessment Workshops:</b> <ul style="list-style-type: none"> <li>• Organize community meetings involving Gram Sabhas, local tribal Pradhans /leaders, and NGOs.</li> <li>• Document unique cultural, linguistic, and socio-economic traits of the STs to tailor interventions accordingly.</li> </ul>	

Phase 2 Establishment of Inter-Ministerial Coordination and Convergence Mechanisms	Expected Outcomes
<p data-bbox="72 287 1450 354"><b>Objective-</b> Create a robust framework for seamless collaboration among the 17 participating ministries and departments</p> <ul data-bbox="120 361 1564 654" style="list-style-type: none"><li>• Create a robust framework for seamless collaboration among the participating ministries and departments at all levels- the central, state and district levels based on a Cabinet approval facilitated by MoTA.</li><li>• Formation of the mission convergence committee, mission steering committee, mission support cell etc.</li><li>• Constitution of nodal officers of state level apex committee, state level PMUs, District Dharti Aaba units and block level implementation teams.</li><li>• Scheduling Regular Coordination and inter- ministerial Meetings to review progress and address challenges in the initiation of the mission.</li><li>• Leverage the use of social media and conduct IEC activities to disseminate information about the Abhiyan.</li></ul>	<ul data-bbox="1612 251 1951 661" style="list-style-type: none"><li>• Streamlined decision-making and resource allocation.</li><li>• Elimination of redundant efforts and duplication across ministries.</li><li>• Enhanced synergy and unified approach towards tribal development.</li></ul>

Phase 3 - Resource Mobilization and Customized Scheme Alignment	Expected Outcomes
<p><b>Objective</b> Ensure adequate funding and tailor existing schemes to meet the specific needs of tribal communities under the mission.</p> <p><b>Based on learnings from PM JANMAN, Recognize the Under allocation, Underutilization and Notional expenditure of fund available under DAPST (&gt;1.2 lakh crore/year) and State Tribal Sub Plan.</b></p> <p><b>Targets for each Ministry to be planned with assured budgetary allocation</b></p> <p><b>Secure Funding Sources</b></p> <ul style="list-style-type: none"> <li>○ Utilize DAPST grants from various ministries and departments to fund interventions.</li> <li>○ Cover any funding shortfalls under specific schemes using the ministry's total DAPST allocation.</li> <li>○ Address further shortfalls by reallocating savings from DAPST according to the new framework proposed by NITI Aayog, either to the concerned sectoral ministry or the Ministry of Tribal Affairs.</li> </ul> <p><b>Establish Separate Budget Lines</b></p> <ul style="list-style-type: none"> <li>○ Ministries and Departments implementing activities under the Mission should open separate budget lines within the respective schemes covered by DAPST funds.</li> <li>○ Name these budget lines <b>Dharti Aaba Janjatiya Gram Utkarsh Abhiyan</b> to earmark funds specifically for the Abhiyan. This will ensure tracking of physical and financial progress.</li> </ul> <p><b>Include in Expenditure Profile</b></p> <ul style="list-style-type: none"> <li>○ The Budget Division, DEA, will create a facility in the UBIS system.</li> <li>○ Concerned Ministries and Departments should input the necessary information, including fund allocations for this scheme.</li> </ul>	<ul style="list-style-type: none"> <li>• Adequate and timely funding for all interventions.</li> <li>• Schemes customized to address unique challenges of tribal areas.</li> <li>• Transparent financial management and accountability.</li> </ul>

**Allocate and Disburse Funds**

- Follow the scheme guidelines for allocating and disbursing funds to State Nodal Departments and implementing agencies.
- Adhere to instructions issued by the Ministry of Finance as they are updated.

**Manage Operation and Maintenance**

- Sectoral ministries are responsible for the ownership, operation, and maintenance of assets as per their scheme guidelines.
- Adequately project budget provisions at the Revised Estimate (RE) stage and throughout the Abhiyan to ensure timely release of funds.

Phase 4 Decentralized Implementation at State, District, and Block Levels	Expected Outcomes
<p data-bbox="58 218 1245 287"><b>Objective</b> Execute interventions efficiently on the ground through robust state, district, and block-level mechanisms.</p> <p data-bbox="72 304 381 332"><b>State-Level Execution:</b></p> <ul data-bbox="72 339 1408 439" style="list-style-type: none"><li>• Chief Secretaries to lead mission implementation; Principal Secretaries of Tribal Welfare as conveners.</li><li>• Establish State-Level Apex Committees (SLAC) for oversight.</li><li>• Form State PMUs within Tribal Welfare Departments for coordination.</li></ul> <p data-bbox="72 472 430 501"><b>District-Level Operations:</b></p> <ul data-bbox="72 508 1089 608" style="list-style-type: none"><li>• District Collectors to act as Nodal Officers leading District Dharti Aaba Units.</li><li>• Set up District-Level Committees for multi-departmental collaboration.</li><li>• Implement village camps, IEC activities, and saturation drives.</li></ul> <p data-bbox="72 641 472 669"><b>Block-Level Implementation:</b></p> <ul data-bbox="72 676 1243 776" style="list-style-type: none"><li>• Form Block-Level Implementation Teams (BLIT) with officers from various departments.</li><li>• Assign specific habitations to officers for focused attention.</li><li>• Facilitate beneficiary applications and oversee construction projects.</li></ul> <p data-bbox="72 809 665 838"><b>Community Engagement and Mobilization:</b></p> <ul data-bbox="72 845 1280 873" style="list-style-type: none"><li>• Involve local Tribal leaders, research institutes, ITDAs and NGOs in planning and execution.</li></ul>	<p data-bbox="1663 315 1939 415">Efficient on-ground execution with active local participation.</p> <ul data-bbox="1618 422 1949 672" style="list-style-type: none"><li>• Enhanced accountability through decentralized responsibility.</li><li>• Saturation of services and facilities in all target villages.</li></ul>

### Phase 5 Scaling & Monitoring

**Objectives-** Establish a comprehensive system to monitor progress, evaluate impact, and incentivize performance.

#### **Integrated Monitoring Systems:**

- Link all sectoral ministry portals with the PM GatiShakti Portal for real-time data.
- Develop a Dharti Aaba Janjatiya Gram Utkarsh Abhiyan Mission Dashboard for consolidated monitoring at all levels.

#### **Key Performance Indicators (KPIs):**

- Define specific KPIs for each intervention and set timeline-based targets with monthly, quarterly, and annual milestones.

#### **Regular Reviews and Audits:**

- Conduct monthly district-level reviews chaired by District Collectors.
- Organize bi-weekly block-level meetings to address challenges.
- Implement third-party evaluations and social audits.

#### **Performance Ranking and Recognition:**

- Establish a ranking system for districts based on KPI progress.
- Recognize and reward top-performing districts and ministries.
- Share best practices to encourage replication.

#### **Feedback and Grievance Redressal Mechanisms:**

- Set up helplines and online portals for beneficiary feedback.
- Ensure timely grievance resolution through dedicated teams.

*Phases of Implementation- Dharti Aaba Janjatiya Gram Utkarsh*

## 10. Convergence with central sector schemes

The Dharti Aaba Janjatiya Gram Utkarsh Abhiyan employs a convergence-based, **"whole-of-government" approach**, ensuring that multiple ministries collaborate synergistically to deliver impactful, cost-effective, and sustainable outcomes for tribal communities. This integrated framework is designed for the following key reasons:

### Rationale of Convergence Architecture

The rationale for proposing the placement of Sub-Missions within the relevant administrative ministries/departments, rather than implementing the entire mission solely through the Ministry of Tribal Affairs, is based on the following factors:

- a. **Domain Expertise:** Ministries that have been implementing specific schemes in areas such as rural housing, drinking water, sanitation, health, and nutrition possess the necessary domain expertise. This ensures the achievement of the most cost-effective and impactful outcomes.
- b. **Inclusive Development:** Tribal communities constitute nearly one-tenth of the country's population. It is, therefore, imperative for each participating ministry to integrate these communities into their development processes, thereby maximizing the social and economic benefits. The administrative machineries of these ministries are better positioned to facilitate this integration.
- c. **Ongoing Monitoring:** Continuous monitoring is essential to prevent marginalized groups from falling back into poverty and vulnerability. Effective monitoring and evaluation can only be achieved through the direct involvement of the administrative ministries and departments.

### Mission Governance and Structure for Convergence

The Dharti Aaba Janjatiya Gram Utkarsh Abhiyan will be housed under the Ministry of Tribal Affairs and led by a Mission Director. The program will be supported by a dedicated team comprising administrative, technical, and financial personnel to ensure smooth and effective implementation.

- a. Mission Nodal Offices, headed by Additional/Joint Secretary-level officers, will be established within the respective administrative ministries.
- b. These offices will function under at least Joint Secretary-level officers. A Director-level officer from the Department of Expenditure and NITI Aayog will also be part of the Mission.
- c. The Mission Headquarters within the Ministry of Tribal Affairs will maintain regular coordination with the Directors of the Missions to ensure the formulation of action plans, smooth implementation, and monitoring of both financial and physical progress.

Similarly, the above administrative structures will be followed at the State & District-level.

At the state level, the Chief Secretaries of the respective states will lead the mission, with the Principal Secretary of Tribal Welfare serving as the convener. Senior officers from sectoral departments will act as Nodal Officers, responsible for supervising, ensuring convergence, and monitoring the implementation of the mission. At the district level, District Collectors will be designated as Nodal Officers, tasked with overseeing, coordinating, and monitoring mission execution. At the block level, the Block Development Officer, or a similarly designated official (such as ITDP/MADA), will assume the role of Nodal Officer, ensuring the effective implementation of the mission's objectives within specific blocks or regions. A Project Management Unit (PMU) will be established within the Department of Tribal Welfare of the State Government to facilitate coordination and monitoring between Government of India (GOI) departments, state-level departments, and across various ministries and states.

### High Powered Committee (HPC)

A High-Powered Committee will be established under the chairpersonship of the Hon'ble Minister of Tribal Affairs. The committee will convene twice during each financial year, preferably once in each half. However, special meetings may be called by the Chairperson as needed.

### Mission Convergence Committee

A committee will be constituted under the chairpersonship of the CEO, NITI Aayog, with the following members: Secretaries of the sectoral ministries, Additional/Joint Secretary of the Aspirational District/Block Program, Advisor DAPST, CEO of the National Health Authority, CEO of UIDAI, Joint Secretary of the Department of Financial Services (PM Jan Dhan Yojana), Additional/Joint Secretary of Agriculture (PM Kisan Samman Nidhi), Additional/Joint Secretary of Food and Public Distribution (PM Garib Kalyan Yojana), and Convenor Joint Secretary of the Ministry of Tribal Affairs (Mission Director).

### Mission Steering Committee

The Mission Steering Committee will be formed under the co-chairmanship of the Secretary of Tribal Affairs, along with the Secretaries responsible for the interventions of their respective schemes. The committee will convene as needed for the mission, and once the mission is stabilized, the meeting frequency will be formally defined. Functions of the Mission Steering Committee:

- i. To monitor and guide the concerned Ministries/Departments in the implementation of activities under the Mission.
- ii. To oversee the progress of sanctioning and construction of infrastructure related to the Mission.
- iii. To review the implementation progress of the Mission and, where necessary, recommend modifications.

### Mission Support Cell

To effectively support the Ministry of Tribal Affairs (MoTA) in achieving project outcomes and addressing specific project management requirements at the Ministry level, a Dharti Aaba Janjatiya Gram Utkarsh Abhiyan Mission Support Cell will be established. This cell will include strategy, program, and technical support from domain experts and other resource persons. It will be responsible for evidence-based strategic planning and impact monitoring, ensuring convergence of programs and schemes across sectors, and developing digital frameworks, among other tasks.

### Mission Apex and Implementation Committee

Each state will have both a state-level and a district- level committee, supported by corresponding state- level and district-level Project Management Units (PMUs).

### State Level Apex Committee (SLAC)

The State-Level Apex Committee (SLAC) will be established under the chairmanship of the Chief Secretary, with the Secretary of the Tribal Welfare Department serving as the convener and nodal department. The committee will also include other Secretaries from key departments as members. Other Secretaries associated with the implementation of allied schemes, as detailed in paragraph 5.2 above, will also be co-opted into the committee. The committee will oversee the work of DMs and also recognize the best performance. The committee will conduct monthly, quarterly reviews to assess progress, address challenges, and provide support for convergence and advisory assistance.

### State Level PMU

At the State/UT level, the Tribal Welfare/Development Department will establish a State Project Management Unit (SPMU). The SPMU will assist the Tribal Welfare Department with overall coordination and communication with Mission stakeholders. Additionally, it will be responsible for reviewing the deliverables outlined in the action plans of relevant line departments under PM Janjatiya Unnat Gram Abhiyan. The Principal Secretary should put in place a PMU within the first month of the Mission.

### District Level Committee

A District-Level Committee (District Dharti Aaba Unit), chaired by the District Collector, will be responsible for planning, executing, and monitoring 25 critical interventions related to the mission. Representatives from line ministries at the district level will oversee the implementation of activities specific to their respective ministries or departments.

The District Dharti Aaba Unit will be responsible for the following.

- i. **Registration and Application:** Register and process applications for eligible beneficiaries under each scheme covered by the mission.
- ii. **Project Planning and Execution:** Prepare Detailed Project Reports (DPRs), submit and seek approval for projects, ensure timely utilization of funds as per the guidelines of respective Ministries, and maintain construction quality and material standards in accordance with each scheme's guidelines.
- iii. **Land Allocation:** Provide suitable land for the construction of roads, Anganwadi centers, hostels, and multipurpose centers.
- iv. **Data Management:** Update data on the Dharti Aaba Janjatiya Gram Utkarsh Abhiyan platform and report progress on the award portal.
- v. **Field Visits and Coordination:** Conduct field visits, address issues related to scheme implementation, and manage capacity building, training, and related activities.
- vi. **Coverage and Saturation:** Ensure that all households and habitations are covered by the 25 specified interventions.
- vii. **Funds Management:** Ensure the timely release of funds to implementing schemes and comply with Public Financial Management System (PFMS) requirements.

### **Block Level Implementation Team (BLIT)**

At the block level, officers such as the Welfare Officer, Block Education Officer, Block Programme Manager (NRLM), and Child Development Project Officer will each be designated as nodal officers for 4-5 habitations by the District Collector. They will be supported by 2-3 additional officers from relevant line departments. This team will be responsible for the comprehensive implementation of various interventions designed for households and the community.

For each habitation, the dedicated team will:

- i. Identify beneficiary families who have not received their entitlements.
- ii. Facilitate the application process for relevant schemes.
- iii. Assist in securing land and overseeing the construction and maintenance of Multipurpose Centers (MPCs), Anganwadi centers, and hostels.
- iv. Ensure that Pattas are issued to Forest Rights Act (FRA) beneficiaries.
- v. Help beneficiaries obtain other essential documents and benefits, such as Aadhar cards, Ayushman Bharat cards, MNREGS cards, and Kisan Samman Nidhi.
- vi. These officers will coordinate with sectoral ministries and departments to ensure effective implementation of the plan in their respective habitations. Additionally, they will facilitate awareness generation among Scheduled Tribe (ST) beneficiaries, conduct community-level meetings with local headmen, and support capacity-building programs.

## 11. Monitoring & Evaluation Framework

### Physical and Financial Progress Tracking

**Real-Time Monitoring via Gati-Shakti Portal:** Each line Ministry/Department will be responsible for updating the progress of their respective schemes on both the PM GatiShakti portal and the Public Financial Management System (PFMS). This will be done through the Scheduled Tribe Component Management Information System (STC-MIS), managed by the Ministry of Tribal Affairs (MoTA), ensuring streamlined tracking and accountability.

**Dynamic Habitation-Level Data:** The portals of the sectoral Ministries will be integrated PM Gatishakti Portal ensuring that the data reflects the real time data of interventions (through API) across tribal habitations.

Village-wise data will be regularly updated at key stages, including:

1. Sanctions (approvals and budget allocations),
2. Instalments (fund disbursements),
3. Physical Completion (project implementation and delivery).

The portals of sectoral Ministries will be integrated with the PM GatiShakti Portal, ensuring real-time data updates on interventions through API. This seamless integration will provide up- to-date tracking of progress across tribal habitations, enhancing transparency and coordination across Ministries.

### Inter-Ministerial Reviews and Coordination Meetings

**National-Level Reviews:** Regular high-level meetings, chaired by the Ministry of Tribal Affairs and involving secretaries from participating ministries, will be conducted to assess progress, tackle challenges, and adjust action plans as needed to ensure smooth implementation.

**State-Level Coordination:** The Ministry/ Department of Tribal Affairs will regularly chair high-level meetings with secretaries from participating ministries to review progress, address challenges, and refine action plans. These meetings will ensure effective coordination and smooth implementation of the mission.

**District and Block-Level Reviews:** District-Level Committees (DLCs), led by the District Collector, will meet monthly to monitor progress, address bottlenecks, and ensure timely delivery of interventions. At the grassroots level, Block-Level Implementation Teams (BLITs) will hold bi-weekly meetings to coordinate and streamline local implementation efforts.

### Training and Capacity Building

**Regular Training Sessions:** Regular capacity-building programs will be organized for local authorities, implementing officers, and community stakeholders to enhance their effectiveness. The responsible ministry or department will track and report the number of training sessions held, along with attendance records, to ensure continuous skill development and readiness at all levels of implementation.

**Performance Monitoring:** The Ministry of Tribal Affairs will collaborate with state-level Project Management Units (PMUs) to oversee and periodically review training sessions. This collaboration will help identify any skill or capacity gaps that need to be addressed, ensuring that all individuals involved in implementation are adequately equipped and capable.

**Training Feedback Mechanism:** A feedback system will be implemented to allow participants to assess the quality and effectiveness of the training. This feedback will be used to enhance future capacity-building initiatives.

Training	Capacity Building	Community Outreach
The respective Line Ministries/Departments, in collaboration with State Governments and Nodal Departments, conduct training for all functionaries/personnel involved in the implementation of Unnat Gram Abhiyan.	The respective Line Ministries, State Government departments and non-governmental organisations working with STs for Capacity Building, situational Analysis, impact assessment, and IEC awareness for their interventions	The ministry concerned with coordination and the line departments of the State Government will prepare and execute the strategy for the IEC campaign.

### Impact Assessment

**Third-Party Evaluations:** The Ministry of Tribal Affairs (MoTA) will engage a third-party agency to conduct regular mid-term and end-term evaluations of the mission, specifically assessing its socio-economic impact on the targeted tribal villages.

**Collaboration with NITI Aayog:** To enhance the quality of evaluations, NITI Aayog could partner with MoTA for in-depth assessments of key sectors like education, healthcare, and livelihoods. This collaboration will ensure comprehensive and impactful evaluations.

**Social Audits:** Regular social audits will be carried out to verify that services and benefits under the mission effectively reach the intended beneficiaries. These audits will enhance transparency and accountability, offering a clear measure of the mission’s success on the ground.

**Impact KPIs:** Key Performance Indicators (KPIs) for impact evaluation will encompass improvements in living standards, reduced poverty rates, better access to healthcare and education, and sustainable livelihood enhancements.

## Outcome Monitoring through KPIs on PM GatiShakti Portal

**KPI Tracking:** The mission will establish precise Key Performance Indicators (KPIs) for each intervention, such as the number of completed pucca houses, villages with full telecom connectivity, and increases in educational enrolment. These KPIs will be monitored and updated on the PM GatiShakti Portal to ensure transparent and effective tracking of progress.

**Timeline-Based Targets:** Each intervention will be tracked against specific timeline targets, such as 1-month, 2-month, 3-month, and 6-month milestones. This approach will enable early detection of delays or underperformance and facilitate timely corrective actions.

**Data-Driven Decision Making:** KPI data collected through the portal will be analysed to guide decisions on resource reallocation, implement corrective measures, and refine existing strategies for better outcomes.

## Digital Tools and Integration – *Dharti Aaba Janjatiya Gram Utkarsh Abhiyan* Dashboard

**Function:** A real-time monitoring tool, specifically developed for Dharti Aaba Janjatiya Gram Utkarsh Abhiyan, will track progress across all interventions and key performance indicators (KPIs) at the national, state, and district levels, ensuring comprehensive oversight and timely adjustments.

**Features:** The integration with PM GatiShakti will leverage geospatial data, financial tracking through PFMS, and KPI monitoring to ensure transparent and efficient service delivery. A public-facing version of the dashboard will be accessible to citizens and stakeholders, allowing them to view real-time progress and engage with the mission's outcomes.

## Stakeholder Engagement and Long-Term Sustainability Plan

**Stakeholder Consultations:** All implementing ministries and departments will regularly consult with key stakeholders—such as local governments, tribal communities, NGOs, and civil society—to ensure that interventions are effectively aligned with local needs and priorities.

**Asset Sustainability Planning:** Each ministry or department will create a long-term sustainability plan to guarantee the ongoing use, maintenance, and upkeep of assets like roads, schools, and healthcare facilities developed under the mission. This plan will be crafted in collaboration with community leaders, local governments, and relevant stakeholders to foster shared responsibility and ensure community ownership.

**Asset Management Systems:** A community-based Asset Management System through **Common Property Resource** will be established to ensure effective infrastructure maintenance. This system will include training for local communities on asset upkeep and provide mechanisms for reporting and addressing any issues that arise.

## 12. Budget provision and Funding Pattern

The Ministry of Tribal Affairs along with relevant sectoral ministries, will coordinate the budgetary requirements for the **Dharti Aaba Janjatiya Gram Utkarsh Abhiyan** with the Ministry of Finance. They will manage the administration and finalize budget allocations for specific schemes within the mission.

The Mission will be for a period of 5 years i.e. 2024-25 to 2028-29, covering first 2 years under the ongoing Finance commission cycle ending in March 2026. The interventions proposed under the Abhiyan are either continuing schemes as a whole or a part of the continuing scheme. Schemes/components that receive an approval or continuation over the 16<sup>th</sup> Finance cycle shall continue being implemented by the Department/Ministry concerned.

**Funding Pattern:** The Mission will be implemented through a combination of Centrally Sponsored Schemes in collaboration with State Governments and UT Administrations, along with Central Sector Schemes implemented by line Ministries and Departments. Funding for various interventions will be sourced from the DAPST grants of different ministries and departments. If there is a funding shortfall under a specific scheme of a ministry, it will be covered by that ministry's total DAPST allocation. Any further shortfall for the mission will be addressed by reallocating savings from DAPST in accordance with the new framework proposed by NITI Aayog, either to the concerned sectoral ministry or to the Ministry of Tribal Affairs.

**Separate Budget Line:** The respective ministries/Departments implementing activities under the Mission will open separate budget lines under the respective scheme covered under DAPST funds allocation with the name of **Dharti Aaba Janjatiya Gram Utkarsh Abhiyan** for earmarking funds under the Abhiyan. This shall ensure physical and financial progress of the Abhiyan.

With regard to inclusion of a separate statement on Dharti Aaba Janjatiya Gram Utkarsh Abhiyan in the Expenditure profile, Budget Division, DEA will create a facility in the UBIS to enable concerned Ministries/Department to fill up requisite information including fund allocation for this scheme.

**Utilization and Disbursement:** The allocation and disbursement of funds to State Nodal Departments and implementing agencies will follow the scheme guidelines and adhere to the instructions issued by the Ministry of Finance from time to time.

**Operation & Maintenance:** The respective sectoral ministries will be responsible for the ownership, operation, and maintenance of assets in accordance with the guidelines of the respective schemes. They shall also adequately project Budget provisions at RE stage and during the period of the Abhiyan to ensure timely release of funds for the Abhiyan.

# ANNEXURES

**Total proposed outlay (Component-wise and Year-wise) \***

(₹ inCrores)

S.N	Ministries / Programs	Activities / norms	2024-25	2025-26	2026-27	2027-28	2028-29	Total
1	Ministry of Rural Development (MoRD) - PMAY-G	Provision of 20 Lakh houses as per the norms of PMAY-G @ ₹1.59/1.69 lakh per house (₹1.2 lakh for plain areas and Rs 1.3 for hilly, JK, Ladakh) + ₹ 27,000 as 90 days MGNREGS Wages + ₹ 12,000 for Toilet)= ₹ 33,800 cr{Ref. ## Annexure-2

**KPI - MEASURING OUTPUTS AND OUTCOMES**

Interventions wise Key Performance Indicators (I-KPIs)		
Outcome 1: Ensuring that the ST community has access to Pucca housing along with Toilets.		
Outcome Indicator: Number of Pucca Houses Constructed for the Tribal Households.		
Output	Indicator (s)	Means of Verification
20 Lakhs Pucca Houses provided to ST households by 2029.	No. of Houses sanctioned to ST households	PMAY-G MIS (AWAS Portal), Gatishakti Portal, Location tagging, completion certificates, and photographs of the constructed Pucca houses. Site visits and inspections by Nodal Officers etc.
	No. of FTO Generated for ST HHs.	
	No. of ST HHs received 1 <sup>st</sup> and 2 <sup>nd</sup> Tranche Fund.	
	No. of ST HHs received final trench fund.  No. of ST HHs received completion certificate.	
Outcome 2: Tribal Villages/habitations has access to all whether connectivity roads.		
Outcome Indicator: Number of Targeted ST Villages to access to all whether road.		
Output	Indicator (s)	Means of Verification
25000 KM all wheather Roads constructed linking to approximately 21500 Target ST villages.	No. of Villages/habitations identified for Road connectivity.	REAT Reports/MIS, Gio SADAK portal, completion certificates, Field surveys and inspections by authorities to verify the existence and quality of the constructed roads on the selected ST villages.
	No. of Kilometre of Road sanctioned for ST habitations/Villages	
	No. of Kilometre Road construction completed.	
Outcome 3: ST Villages/habitations has access to drinking water and pipe water connectivity.		
Outcome Indicator: Number of ST habitations/Villages to access pipe water connectivity/ Functional Household Tap Connection for Drinking water.		
Output	Indicator (s)	Means of Verification
Every eligible ST HHs in	Number of FHTCs provided	E-jalshakti IMIS Reports, JJM

63,843 villages	to ST households	Reports on Village Wise PWS Report, Gatishakti Portal, On-site assessments conducted by Nodal officer, reports of DLCC and State Govt.
	Number of FHTCs in ST Households delivering water in adequate quantity.	
5000 habitations/villages ≤ 20 ST HHs have been equipped with pipe water connectivity and Functional Household Tap Connection.	Number of ST habitations/Villages ≤ 20 ST HHs connected through PWS.	

**Outcome 4: STs have enhanced access to healthcare services directly within their localities and all eligible ST households covered through Ayushman Card.**

**Outcome Indicator: Number of ST habitations/Villages covered with Mobile Medical Units (MMU) and Number of ST HHs covered under Ayushman Card.**

Output	Indicator (s)	Means of Verification
1000 MMUs operating in ST Habitation/Villages to cater healthcare need of STs.	No. of MMUs sanctioned for ST Villages.	HMIS reports, MoH&FW reports including RHS surveys, updations in Gatisakti portals, GPS tagging of MMUs, Reports of MMUs uploaded by districts, Monitoring visit by Nodal officers etc.
	No. of MMUs Operational and giving services.	
	No. of villages/habitation covered by MMUs.	
	No. of people screened/OPD and referrals.	
ST HHs covered under Ayushman Card	No. of ST HHs covered under Ayushman Card	Ayushman Bharat portal, HMIS

**Outcome 5: The quality of school education for ST students is elevated through upgradation of existing Ashram/ Govt schools and dedicated residential facilities in schools.**

**Outcome Indicator: Number of Ashram/ Govt schools upgraded and number of hostels constructed in ST villages and number of ST students using these facilities.**

Output	Indicator (s)	Means of Verification
1000 residential hostels to be constructed in exiting schools in tribal areas for	No. of location/school identified	Prabandh portal of samagra shiksha, UDISE+ reports, GatiShakti portal, Monitoring visit
	No. of residential hostels	

elevated school education for ST students.	sanctioned	by Nodal officers etc.
	No. of residential hostels construction completed	
	No. of ST students accommodated in these hostels.	
Up-gradation of existing Ashram Schools/ Govt. schools in tribal areas	No. of proposal sanctioned for upgradation of schools.	State Proposals, UCs, Progress report, Field visit by State TWD and MoTA officials.
	Number of Ashram/Government schools upgraded successfully.	

**Outcome 6: Strengthen nutritional content, delivery, outreach in Tribal habitations/Villages.**

**Outcome Indicator: Number of AWC constructed in Tribal villages and number of tribal children 0-6 years registered and no. of pregnant and lactating tribal women access the ICDS services.**

Output	Indicator (s)	Means of Verification
2000 new Saksham AWC constructed and upgradation 6000 existing AWCs to Saksham AWCs in targeted tribal villages to strengthen nutritional content, delivery, and outreach.	No. of tribal habitations/ Villages identified for AWC intervention	Online ICDS MIS, WCD dashboard, report form State Govt./ DLCC, Gatishakti portal, Monitoring visit by Nodal officers etc.
	No. of AWCs sanctioned for Tribal habitations/Villages	
	No. of AWC sanctioned for upgradation into Saksham AWCs	
	No. of AWC construction & Upgradation completed	
	No. of Saksham AWC operational and providing ICDS services to tribal communities.	

**Outcome 7: 700 Poshan Vatikas (Nutri-Gardens) in EMRS schools contribute to a diversified diet by supplying fresh vegetables and fruits, thereby improving the overall health and nutrition of the students and tribal students gain hands-on knowledge about farming, sustainable**

agriculture, and nutrition.		
Outcome Indicator: An increase in the variety of food groups consumed by students (fruits, vegetables, legumes, etc.) and increase in the no. of tribal students who demonstrate knowledge of sustainable agriculture, gardening practices, and nutrition after being involved in the Nutri-Garden initiative.		
Output	Indicator (s)	Means of Verification
700 Poshan Vatikas (Nutri-Gardens) functional in EMRS schools	No. of Poshan Vatikas (Nutri-Gardens) sanctioned for EMRS schools	MIS report from MoAYUSH, data uploaded in Gatishakti portal, Monitoring visit by Nodal officers etc.
	No. of Poshan Vatikas (Nutri-Gardens) established in EMRS schools	
Outcome 8: 25 Lakhs Tribal Household using clean energy (LPG) for cooking		
Outcome Indicator: No. of LPG connections distributed and no. of tribal HHs use LPG as primary source of cooking.		
Output	Indicator (s)	Means of Verification
25 Lakhs LPG connection distributed to eligible ST HHs in targeted villages	Number of LPG connections sanctioned.	MIS Pradhan Mantri Ujjwala Yojana, report of State implementing agencies, data uploaded in Gatishakti portal etc.
	Number of LPG connections distributed to tribal households.	
Outcome 9: Connectivity and communication infrastructure in tribal villages is significantly improved through the installation of mobile towers, fostering enhanced connectivity and communication.		
Outcome Indicator: Number of Tribal villages having mobile connectivity		
Output	Indicator (s)	Means of Verification
5000 unconnected tribal village connected through 4G mobile technology fostering enhanced connectivity and communication.	No. of Mobile Service Village/Habitation Sites identified	USOF Dashboard, GatiShakti Platform, Monthly progress reports and Quarterly review reports submitted by the Universal Service Provider, Monitoring visit by Nodal officers etc.
	No. of Mobile towers sanctioned in tribal Villages	
	No. of Mobile tower installed	

	in tribal Villages	
	No. of tribal villages covered with mobile connectivity	
Outcome 10: Improved access to electricity is achieved for unelectrified tribal households and public institutions not covered through grid.		
Outcome Indicator: Number of tribal HHs and public institutions access to electricity		
Output	Indicator (s)	Means of Verification
Electricity is achieved for unelectrified tribal households and public institutions not covered through grid.	No. of ST HHs and public institutions registered	National Portal for Roof Top Solar, DISCOM portal, GatiShakti portal, MPR submitted by MNERE etc.
	No. of ST HHs and public institutions sanctioned roof-top solar solutions through scheme	
	No. of tribal HHs & public institutions access to improved electrification.	
Outcome 11: Identification and electrification of missed-out houses, leading to the reissuance of certificates for 100% coverage		
Outcome Indicator: Number of tribal Village/Habitations with access to grid electrification.		
All left-out tribal villages (feasible) covered under grid electrification.	No. of tribal habitations/Villages identified for electrification	MoP MIS, RDSS MIS, GatiShakti portal, MPR submitted by MoP, Monitoring visit by Nodal officers etc.
	No. of feasibility assessment study done	
	No. of tribal habitations/villages connected through Grid power	
Outcome 12: Tribal youth, SHGs, and VDVks acquire skills in traditional and modern vocations, unlocking market potential for sustainable employment and self-reliance.		
Outcome Indicator: Number of Tribals youths/ SHGs/VDVKs covered under skill centers, RSETIs, DICs etc.		
Output	Indicator (s)	Means of Verification

Tribal youths/ SHGs/ VDVks acquired skills in various traditional/modern vocations through skilling center in tribal districts.	No. of tribal youth/SHGs/VDVKs enrolled in skill development programs (through Skill centers, RSETIs, DICs, etc.).	MSDE MIS, GatiShakti portal, MPR submitted by MSDE, Monitoring visit by Nodal officers etc.
	No. of tribal youth/SHGs/VDVKs supported in accessing financial services (microcredit, loans, etc.) for starting their own ventures.	
	No. of tribal youth/SHGs/VDVKs placed in jobs or self-employed in vocations after completing training programs.	
Outcome 13: Approximately 200,000 FRA patta holders have improved their livelihoods by practicing sustainable agriculture and adopting natural farming methods.		
Outcome Indicator: 2 lakhs FRA patta holders practicing sustainable agriculture through adopting natural farming methods.		
Output	Indicator (s)	Means of Verification
Around 2 lakhs FRA patta holders adopting sustainable agricultural practices through multiple schemes of MoAFW	No. of FRA patta holders’ beneficiaries included in various MoAFW schemes	MoAFW MIS reports, Agricultural census, MPRs from state nodal departments, data uploaded in Gatishakti Portal etc.
	Increase in average income of FRA patta holders from sustainable agriculture (percentage or absolute value).	
Outcome 14: Tribal beneficiaries, including FRA patta holders, have improved their socio-economic conditions by engaging in pisciculture and livestock activities.		
Outcome Indicator: No of tribal beneficiaries adopting pisciculture and livestock activities.		
Output	Indicator (s)	Means of Verification

<b>10,000 CBOs/SHGs and 1 lakhs tribal individual engaged in pisciculture activities.</b> <b>And 8,500 tribal SHGs/ individuals engaged in livestock activities.</b>	No. tribal beneficiaries (including FRA patta holders) enrolled in pisciculture and livestock activities.	MIS reports, MPRs from state nodal departments, data uploaded in Gati-shakti Portal etc.
	No. of tribal households reporting improved food security or nutrition due to pisciculture and livestock activities.	

**Outcome 15: Tribal households engaged in homestay tourism are gaining economic benefits while also promoting local art, traditions, culture, architecture, and food practices.**

**Outcome Indicator: No. of Tribal HHS engaged in homestay tourism activities.**

Output	Indicator (s)	Means of Verification
<b>1000 tribal homestay tourism operational in targeted ST villages.</b>	No. of tribal households participating in homestay tourism.	MIS reports of Mo Tourism, MPRs from state nodal departments, data uploaded in Gati-shakti Portal etc.
	No. of tourist footfall to tribal homestays.	
	No. of tribal HHs engaging in cultural activities pertaining to tourism.(e.g., local art, traditional performances, food experiences).	

**Outcome 16: State, district, and block officials, as well as PRI members, have increased awareness and enhanced capacity regarding FRA/CFR/habitat rights and their implementation processes.**

**Outcome Indicator: Number of State, district, and block officials participated in trainings and enhanced capacity regarding FRA/CFR/habitat rights.**

Output	Indicator (s)	Means of Verification
<b>All Gram Sabhas and State, district, and block officials trained on FRA/CFR act.</b>	No. of training sessions conducted for officials and PRI members.	MIS reports of MoPR, MPRs from state nodal departments, data uploaded in Gati-shakti Portal etc.
	No. of participants reporting	

	improved understanding and capacity in implementing FRA/CFR/habitat rights.	
	Feedback from participants on the effectiveness and relevance of the training programs.	
<b>Outcome 17: Establishment and operationalization of Tribal Multi-purpose Marketing Centers (TMMCs) to enhance market access for tribal entrepreneurs and products.</b>		
<b>Outcome Indicator: Number of tribal entrepreneurs gaining market access through TMMCs.</b>		
<b>Output</b>	<b>Indicator (s)</b>	<b>Means of Verification</b>
<b>100 TMMC functional in tribal blocks/districts.</b>	No. of TMMCs sanctioned	State nodal dept. reports, MoTA dashboard, Gatishakti portal, Geo-tagging on Gatishakti portal, Monitoring visit by Nodal officers etc.
	No. of TMMCs established and operational.	

### 3.States/UTs and District wise Coverage of Villages under the Abhiyan
